## Coachella Valley Women's Business Center

### Successful Start-Ups: The ABC's of Starting Your Own Business

The thought of starting a business can be overwhelming. Join us and be part of an interactive discussion to learn what steps should be taken to start and grow a business. Learn what outside resources are available to help ensure success, what the requirements are for licensing; discover information on ownership and legal structure, on financing, and the steps to start a business, including a business plan outline.

#### Costs

To better serve the public, this workshop will now be offered **free of charge.**

Visit our website at [www.cvwbc.org](http://www.cvwbc.org) to register.
